### **Re: Reference regarding an association with DG Construction**

During 2012-2015 Meadow Mushrooms embarked on several construction projects, being Phase 1 New Workshop, Phase 2 New Staff Facility/New Package Store and Phase 3 New Pack Building at Holding 33 Sewejaartjie Street, Schoongezicht, using the services of DG Construction as the main Construction Contractor. These projects extended over 4 years, covering an area of 1678m<sup>2</sup> and was at a cost in excess of R8 million.

In all matters that related to these projects, i.e. Workmanship, Professionalism and Business relationship, we were pleased with the services of DG Construction and recommend them for work of similar nature. Our relationship with both Karen and Dion Griffiths was, and has remained amicable. We are now in 2016 looking to them to be part in our next phase of development.

Yours Sincerely

Baring Richardson
